Name of Strike	Date	Coordinates	Mission Objective	No. Total B-52	Results	Ground Follow-Up	Remarks
Main Spar	13 Aug 65	YD165389	Suspected VC training and staging area to provide maximum disruption prior to ground exploitation by ARVN Forces.	30	1,820 13 RTS IFR: 2 Bldgs dest, 1 damaged; 1 bunker dest; heavy concentration on target area.	Yes (14 Aug 0500 hrs)	MACV: Strike was a complete surprise resulting in reoccupation of Ba Long Valley. Est. 20 to 40 VC killed. Tremendous psychological impact resulting in 21 railers and 23 civilians returning to GTN control.
Paper Sack	8 Oct 65	YD515214	Priority mission against VC Mil/POL control Headquarters. Radio station and at least one VC Company.	6	380 Trenches and foxholes uncovered. Trucks seen on road.	Yes (3 day operation, 4 Bn ARVN 1st Division)	14 friendly wounded in this action. 14 VC KIA, and 7 VC captured. This strike was the result of a priority intelligence report and resulted in cancellation of a pre-planned mission and diversion of B-52s to this target.
<u>Grid Square BS</u>							See Birch Bark II below.
Birch Bark I (ARC LIGHT Zone Bravo)	1 Aug 65	BS120988	None Stated.	30	1,830 No damage to military items. Trees destroyed. No hits. AW AAA visible in area. BDA photography good.	None	See Birch Bark II below.
Birch Bark II (ARC LIGHT Zone Bravo)	4 Aug 65	BS120988	None Stated	30	1,800 Same as Birch Bark I above.	None	These two missions dropped 2,872 bombs in an area approx. 9 square KM. Cost of these two missions was \$3,630,000.
Big Stag I (ARC LIGHT Zone Bravo)	4 Sep 65	BS119950	Strike scheduled in AIZ-B, where Gear Train I, II, and III strikes took place in late August. Target area was base area for elements of Mil Reg 95 Hq.	12	710 None	None	Center of mass coordinates indicate BS I struck impact area of Birch Bark I and II - Center of Gear Train Impact is 10 KM removed.
Mountain Trail (ARC LIGHT Zone Bravo)	10 Sep 65	BS135998	Destroy suspected Comm site and related facilities.	30	1,870 Destroyed some underground tunnels which are apparently no longer in use by VC.	Yes (2 ARVN Co and 40 US Spec Force Personnel)	Center of mass of coordinates indicate strike was on fringe of impact area of three missions listed above. Conclusion is that VC abandoned staging center because of proximity of previous strikes and lured in an additional B-52 strike to expand effort without results. Dummy target was a communications facility constructed of bamboo.
Big Stag II (ARC LIGHT Zone Bravo)	20 Sep 65	BS100990	Bomb jungle area of traditional and well secured VC stronghold, and elements of Mil Reg 5 Hq.	6	380 19 new impact areas noted.	None	The fifth of series of strikes within a 16 sq KM area in ARC LIGHT Zone Bravo. No significant damage to Military Targets noted in this series of missions.
Gear Train I	23 Aug 65	BS215989	Scheduled Strike in Free Bomb Zone Bravo. No specific objective stated.	30	1,750 85% of bombs in target area. Located possible tunnel entrance in fenced off area.	None	Priority of target area unknown.
Gear Train II	28 Aug 65	BS237999	Same as Gear Train I.	9	550 125 impact areas in target and 47 outside target area.	None	Same as Gear Train I.
Gear Train III	31 Aug 65	BS249990		9	520 No item of military significance noted. Small foot trails cut.	None	Gear Train I, II, and III involved 48 B-52s. Produced no damage to known military targets. These strikes are typical of many ARC LIGHT missions in that consecutive strikes against the same target area are flown within a three to five day interval.
Sales Tax	24 Sep 65	BS529688	Attack suspected VC logistical area.	12	740 MACV reported no evidence of damage due to heavy forest cover.	Yes (2 ARVN Companies)	Ground sweep revealed no VC contact, equipment, or installations.
Tone Beat	28 Sep 65	BS465656	Attack reported VC logistical and storage facilities.	12	740 No damage assessment due to heavy forest except possible underground storage col. lapsed & bunker destroyed. Numerous facilities rotated in area.	None	This strike approx. 7 KM WSW of Sales Tax (24 Sep) impact zone.
